An invaluable source book on the end of the 20th century.-William C. Taubman, Amherst College, Pulitzer Prize-winning author of Khrushchev: The Man and His Era "Evocative, illuminating, insightful: This volume is a brilliant collection of documents, conversations, and essays." (From the Foreword)-Anatoly S. Chernyaev, adviser to Mikhail Gorbachev, author of My Six Years with Gorbachev"The conference held at Musgrove [included in this volume]...illuminated one of the most important periods in 20th century history The National Security Archive [has] rendered a service to historians and the public as a whole." Buy Mikhail Gorbachev: Memoirs New edition by Mikhail Gorbachev (ISBN: 9780553506365) from Amazon's Book Store. Everyday low prices and free delivery on eligible orders.Â Twelve years ago, when Gorbachev came to power, the globe was still divided into two armed camps, one for each superpower - as it had been ever since 1945. The Cold War dominated international politics, from Angola to Afghanistan. The man who became leader of the Soviet Union in 1985 was much younger than his predecessors, yet there was little else to distinguish him from the stony-faced apparatchiks waving from the Kremlin. Of the many memoirs produced by Gorbachev and those around him, this one rings truest and says the most – partly because Chernyaev quotes at length from his original notes and internal memoranda, and partly because the author's integrity and frankness emerge from the text itself. Although Chernyaev was primarily Gorbachev's senior foreign policy adviser, he was also drawn to a surprising degree into the key deliberations on domestic matters. Still deeply loyal to Gorbachev, he nonetheless manages to stand outside their relationship and judge him candidly, with stunning insight.Â In This Review. My Six Years With Gorbachev.
