This book was about the many different ways to get to 100 hundred. The book introduced addition, subtraction, division, and multiplication. The book was fun because it had a object that was different from the group on every page so students could look for that object as they read. A great book to use when counting. This books explores the different ways to count to hundred, using multiple ways; skip counting and multiplication. this count turn into a sorting activity, students sorting. flag Like Â· see review.
