This is simply not enough, you MUST leave the house with the sole intent of doing pickup several times a week as to have this be your primary focus, eliminate distractions, and thus, yield the best results. Thou Shall Speak Smooth Slow And Steady. If you’ve ever watched any of my YouTube videos or attended one of. Earlier here in the 10 Commandments I was talking about how a lot of girls have social anxiety. You may be talking to a girl at a grocery store and be thinking to yourself the girl is NOT into me when in actuality this girl might be thinking this guy is hot, I’m so glad he’s talking to me. I haven’t met somebody in so long The 10 Commandments were responses to the needs of a small nomadic community, wandering the Sinai peninsula with goats and sheep around (if we believe these sort of things) 1,200 BC. Our needs have changed a little since then. Angering a jealous God is no longer a priority. What follows is an updated version of the 10 Commandments. The idea shouldn’t be that these seem novel; just true but a bit ignored. The problem of modern society is not so much ignorance, as an inability to act on the many important precepts which are theoretically known but aren’t active in our lives at points of crisis. There was a time when people understood that true love was a necessary prerequisite for intimacy and that kiddushin, the Hebrew word for marriage meaning holiness, was the ideal way to describe the perfect union between a man and a woman. It takes courage to defy a culture that glamorizes sexual promiscuity and glorifies its obsession with pornography. Our over-sexualized society teaches our young to believe that physical pleasure is our greatest good and sexiness trumps character, intelligence and all other human achievements. Time-theft is defined as those deliberate employee actions which result in the massive, growing misuse and waste of time. Book Overview. Each of the 10 Commandments is perfectly formulated common sense that is totally relevant to current times, and popular author Bettie Youngs lifts the veil one by one to reveal the facts and purpose behind each principle. Most teens see the 10 Commandments as a bunch of old rules that no longer apply to them, but once the mystery is removed, it becomes clear that they are as meaningful today as ever before.
