A BIBLIOGRAPHY OF PUBLICATIONS BY JACK ZIPE
ON FAIRY TALES, FANTASY, AND CHILDREN’S LITERATURE

The following bibliography is selected from Jack Zipes’s larger corpus of published scholarship, which encompasses a wide variety of subjects, including romanticism, theater, the modern novel, philosophy, German-Jewish studies, and the Holocaust. The selection here focuses on his publications concerning fairy tales, fantasy, and children’s literature. Items are arranged by their own genre and then chronologically within each of these categories to reflect the development of Zipes’s work. Generally, only the first publication of any item is listed; the numerous reprints are not.

Generally, only the first publication of any item is Can fairy tales subvert consumerism? Can fantasy and children's literature counter the homogenizing influence of globalization? Can storytellers retain their authenticity in the age of consumerism? These are some of the critical questions raised by Jack Zipes, the celebrated scholar of fairy tales and children's literature. In this book, Zipes argues that, despite a dangerous reconfiguration of children as consumers in the civilizing process, children's literature, fairy tales, and storytelling possess a uniquely powerful (even fantastic) capacity to resist the "relentless p In short, fantasy literature, and the fairy tale, are amorphous and ambiguous genres, whose boundaries are actually very difficult to set. What is certain, however, is that both fantasy and fairy tale literature have proved hugely popular with children. Indeed for many young readers, and critics, these genres are the core of children's literature. But the place of this kind of make-believe literature in children's culture has not always been secure, and it has a complex history. Historians of children's books have often seen two forces â€” realism and didacticism on the one hand, and f...
