The bilingual dictionary contains a modern, practice-oriented vocabulary. The phrasebook will help English speakers sort through the many situations encountered while travelling, such as finding transportation, booking hotel rooms, ordering at restaurants, visiting museums, or what to do in case of an emergency. The Conversational Finnish course provides transcripts of the Finnish dialogues with idiomatic English translations plus notes on structural pattern and explanations of essential points of grammar. The course provides a variety of exercises with instructions in English. The Finnish English Word Frequency Dictionary contains 2,500 words and verbs giving you a list of the most useful and most used words to build your Finnish vocabulary fast. These high frequency Finnish words are a great tool for beginners and intermediate students. This Finnish pocket dictionary contains the 2,500 most common words and the 597 most common verbs in Finnish. With this book, you are able to cover 85% of the Finnish language in text and 95% of all of the in-day-to-day spoken situations. The amount of words is enough to discover the meaning of yet unknown words through context. It is a rational move to prioritize learning the words that you are likely to use and hear the most.
