In the fall, books about all things scary and spooky, including skeletons, are fun to read. Of course, any time of year is a great time to talk about bones and what they do. Below are a few books that are great to use as you help your little one learn about skeletons. More Resources for Little Book Lovers. The best way to encourage a love of reading is to provide kids with many opportunities to engage with a wide variety of books that are of interest to them. That’s why we share so many books lists on Fantastic Fun and Learning. We want to make it easy for you to find great books your kids will love. Skeletons for Sadness, by Ewen Southby-Tailyour. Published 2008 in Dobbs Ferry, NY: Sheridan House. Written in English. Subjects: Fiction, Falkland Islands War, 1982. Places: Falkland Islands. There’s no description for this book yet.
