In A Million Suns, Beth Revis continues the story of Amy and Elder from Across the Universe. The ship Godspeed, where they are trapped, is in chaos because the residents have lived so long being mind-controlled that they can’t imagine anything else. Elder, the new leader, has a new mission: to find another habitable planet and leave the ship.

The plot thickens with the discovery of a treasure hunt left by the previous leader, Orion. elder and Amy follow the clues, which lead to a shocking revelation. The answers to the mystery of the ship’s fate and the fate of humanity are intertwined in a mind-bending conclusion.

The characters are complex and relatable, dealing with themes of love, loss, and the search for identity in a world where free will is newly discovered. The writing is engaging and the pace is fast, keeping the reader on the edge of their seat.

Overall, A Million Suns is a gripping read that will leave you wanting more. Beth Revis delivers a thrilling and thought-provoking sequel that is sure to satisfy fans of the first book and win over new ones.
