With more than 600 entries, written by more than 200 professors, graduate students, practitioners, and association officials, the two volumes of this encyclopedia represent the most comprehensive knowledge base of educational leadership and school administration that has, as yet, been compiled. Year: 2006. No part of this book may be reproduced or utilized in any form or by any means, electronic or mechanical, including photocopying, recording, or by any information storage and retrieval system, without permission in writing from the publisher. Because the field of educational administration is dynamic, acquiring this set will help update current collections in this area, particularly for institutions that prepare educational leaders." - Lesley Farmer Published On: 2006-08-16. "Designed to be the most comprehensive knowledge base of educational leadership and school administration that has, as yet, been compiled, this two-volume set admirably achieves its goal. It is current, readable, and well organized. Highly recommended." - P. Palmer Published On: 2006-10-30. "This two-volume encyclopedia provides a clear...
