
The Empire of Liberty is a theme developed first by Thomas Jefferson to identify the responsibility of the United States to spread freedom across the world. Jefferson saw the mission of the U.S. in terms of setting an example, expansion into western North America, and by intervention abroad. Major exponents of the theme have been James Monroe (and his Monroe Doctrine), Andrew Jackson and James K. Polk (who promoted Manifest Destiny), Abraham Lincoln (in the Gettysburg Address), Theodore Roosevelt America in the World. Princeton : Princeton University Press, c2010. Series: America in the world. Subjects: Imperialism > Moral and ethical aspects > History. Reforming the World offers a sophisticated account of how and why, in the late nineteenth and early twentieth centuries, American missionaries and moral reformers undertook work abroad at an unprecedented rate and scale. Looking at various organizations such as the Young Men's Christian Associa Full description. Saved in: Bibliographic Details. Main Author: Tyrrell, Ian. "Reforming the World is a highly readable, sophisticated analysis of transnational American reform networks that draws on a wide range of primary sources. The book makes a powerful argument about the contributions of interconnected evangelical reformers to the shaping of American empire."---Barbara Reeves-Elllington, H-Soz-u-Kult. Review. "Tyrrell, one of the leading figures in the field of transnational history, suggests we best understand the story of the United States if it is placed in an international context.
