hen asked which of his songs he would most like to be sung 100 years from now, Pete Seeger replied, 'One Grain of Sand.' To bring this song to life on the page, artist Linda Wingerter painted rich, luminous scenes of families waking and sleeping all over the world—from a beach in Thailand, to a snowy pond in Scandanavia, to a high-rise apartment building in New York. The result is a gorgeous gift book for babies and families that celebrates the world's precious places and people, reflecting Seeger's lifelong commitment to social and environmental harmony. One grain of sand : a lullaby. [Pete Seeger; Linda S Wingerter] -- A lullaby celebrating the fragility of the environment, the innocence of childhood, and the sense that we all are connected and part of the world's family. Reviews. User-contributed reviews. This is a lovely book—the illustrations are rich with color and swirling detail, and the books shows scenes of families (human and animal) all over the world. Gorgeous, really. The song is also lovely, but if you're like me and have a hard time reading music (Seeger includes it), then you'll want to search out the melody online. Do an online search for the following words: Smithsonian Seeger One grain of sand. You should find the Smithsonian Global Sound site with a sample of Pete Seeger himself singing the melody of his song. It's a very gentle, haunting lullaby. Of course, we
