The judiciary and American democracy: Alexander Bickel, the counter-majoritarian difficulty, and contemporary constitutional theory / Published: (2005). Search Options. Search History. Should the Supreme Court have the last word when it comes to interpreting the Constitution? The justices on the Supreme Court certainly seem to think so and their critics say that this position threatens democracy. In this sweeping political history of judicial supremacy in America, Whittington shows that presidents and political leaders of all stripes have worked to put the Court on a pedestal and have encouraged its justices to accept the role of ultimate interpreters of the Constitution. Whittington examines why presidents have often found judicial supremacy to be in their best interest, why they have rarely assumed responsibility for interpreting the Constitution, and why constitutional leadership has often been passed to the courts.
