Zuelow described this book as “perhaps the most read book about nationalism”. Part I nationalism from an historical perspective. CHAPTER ONE Ideological Foundations of Nations and Nationalism. In the title of his book, Identity and Violence, Amartya Sen captures the most significant forces at play in contemporary international politics. Each is an illusion. Identity offers an illusion of the uniqueness of, and therefore a destiny for, a particular group, and violence is an illusion in that its force can and will achieve a desired destiny. Ethnic identity as a political actor operating within, beyond and between states is also not new but the scale and the political consequences for our understanding of the impact of ethnicity and its interplay with the nationalisms of Cite this Item.
