A Revolutionary Bourgeoisie? If the Revolution was a bourgeois revolution, then who actually did participate in it, who were the deputies of the Third Estate? In a lecture of 1954 and a book a decade later, Alfred Cobban criticized the concept of the bourgeoisie as being far too elastic and imprecise, an unsuitable category of analysis. He showed that the deputies were in fact overwhelmingly representatives of the non-noble officeholders and legal professions. Such men were often on the way to acquiring nobility, and they were not involved in the commercial and industrial capitalism that the Re... Book Renaissance www.ren-books.com.
