

Bibliography. Although the emphasis of this book is on special introduction, we have included a brief outline or résumé of each New Testament document, sometimes providing a rationale for the choices we have made. In each case we have provided a brief account of current studies on the book and have indicated something of the theological contribution that each New Testament document makes to the canon. Some teachers will want to use the material in some order other than that presented here (e.g., by assigning chapters on Matthew, Mark, and Luke before assigning the chapter on the Synoptic Gospels). The New Testament consists of 27 separate books, written mainly, though not exclusively, by Apostles of the Lord Jesus Christ. These books teach and testify of the ministry and Atonement of Jesus Christ and the rise of the early Christian Church. The Bible has influenced more people than any other book ever written. Elder L. Tom Perry (1922–2015) of the Quorum of the Twelve Apostles stated that the New Testament is the centerpiece of scriptural history, just as the Savior Himself should be the centerpiece of our lives. We must commit ourselves to study it and treasu This book will be of value to anyone with an interest in New Testament studies in the interwar period in Britain and in the work of Dodd more generally.
