And each purchased b... Eat That Frog is a book about overcoming procrastination to achieve success. It operates on the principle that if you have to eat two live frogs (i.e., complete tasks you don’t want to do), it’s best to eat the biggest and nastiest one first. Also, if you have to eat the frog anyway, it’s much better to get it over with quickly. Summary Notes. Set The Table. The number one reason why some people get more work done faster is because they are absolutely clear about their goals and objectives and they don’t deviate from them. Procrastination and a lack of motivation typically arise due to vague
